

Parkford Suites

LEGAZPI

*A PORTMANTEAU OF PARK AND FORD—
DEFINED AS A CROSSING PLACE OR THE ACT
OF TRAVERSING FROM ONE POINT
TO ANOTHER—THE NAME COMMUNICATES
THE VIBRANCY OF PARKSIDE LIVING,
HOW VARIED SPACES AND PURSUITS
ARE INEXTRICABLY LINKED TO PARKS,
ENABLING LIFESTYLES TO FLOURISH.*

Parkford Suites
LEGAZPI

Where Every Walk of Life Unfolds

A green urban space in the Makati CBD where *parkside* is more than a destination, it's a point of convergence, imbuing every day's comings and goings with exuberance. Washington SyCip Park and Legazpi Active Park become life's playground, intersecting active and calm, neighborhood retail and central lifestyle spots, and ultimately, people and place. At the heart, Alveo Land emerges with residences where paths come together and grow—Parkford Suites Legazpi.

Paving the Way for Growth

AYALA LAND

For more than 80 years, Ayala Land continues to set the standard for property development in the Philippines, cultivating the country's leading addresses and emerging growth centers. Ayala Land delivers a vibrant range of developments from sustainable mixed-use environments, to multi-generational homes, contemporary corporate spaces, and dynamic retail destinations—enhancing land and enriching lives for more people.

ALVEO LAND

Highlighting a tradition of industry excellence, Alveo Land carries out this legacy with the spirit of innovation. A commitment best realized through fresh lifestyle concepts and living solutions, pushing boundaries and illuminating worlds of possibilities for masterplanned communities and diverse neighborhoods across the nation. Harnessing potential, nurturing individuals and hard-earned investments with a singular vision—giving you a place for living and working well.

Lifestyle Image

Intersecting Urban and Natural

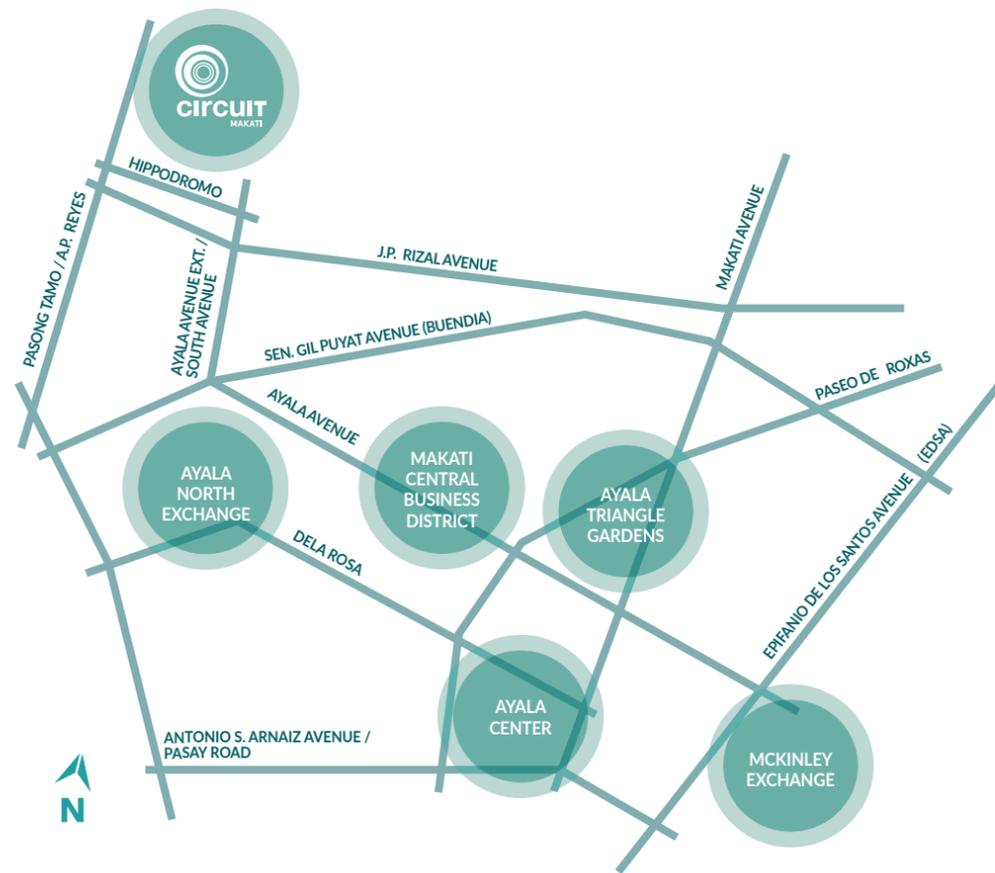

An integration of green urban spaces and built environments—a common ground—trace the landscape of a contemporary metropolis, creating places for businesses and lifestyles to thrive.

Ayala Land’s pioneering seat of heritage, Makati City harmonizes these vital dimensions, making it the unrivaled financial capital of the Philippines. Here, elements flourish in parallel with each other—mobility through pedestrian infrastructure, pocket urban parks, vibrant commercial destinations, cultural spaces and institutions, and leading-edge corporate offices. Makati taps into the global future as a benchmark of urbanism.

A PROGRESSIVE URBAN DESIGN MAKES MAKATI CITY THE CHOICE HQ OF LOCAL AND GLOBAL CORPORATIONS FOR INVESTMENT; THE CHOICE ADDRESS FOR DIVERSE RETAIL AND LEISURE DESTINATIONS, AND FOR CONTEMPORARY URBAN DENIZENS TO LIVE IN

Retracing the City

Ayala Land bolsters Makati as the city that makes it all happen by investing in more than PhP 125 billion (USD 2.8 billion) in the *Make It Happen, Make It Makati* redevelopment campaign—a game-changing program spread across six unique nodes for work, lifestyle, leisure, transport, corporate creativity, and entertainment.

Sharing a Vision

ARCHITECTURAL DESIGN

Aidea Philippines, Inc.

Aidea is one of the leading design companies in the Philippines. It has consistently been in the top 100 architectural practices according to Building Design (BD) WA100—ranking 86th in 2012. Notable projects include Two Serendra, Park Terraces, Solstice Towers and The Stiles Enterprise Plaza.

STRUCTURAL DESIGN

Sy^2 + Associates, Inc.

Since its inception in 1983, SY^2 has established itself to be one of the most experienced structural consultants in the industry, with a portfolio that includes the Ayala Corporation's landmark Tower One and Exchange Plaza.

COMMON AREA INTERIOR DESIGN

Design HQ (Hirayama + Quesada)

Design HQ is a prominent interior design firm based in the Philippines with work encompassing a dynamic range of design styles. Their signature and eclectic designs have been highlighted within various local and international publications and television programs.

MECHANICAL DESIGN

DCCD Engineering Corporation

Since its foundation in 1957, DCCD has become the first engineering consulting firm in the country that has been awarded an ISO 9001 Certification, ISO 14001:2004, and OHSAS 18001:2007 for its exceptional quality system.

ELECTRICAL DESIGN

EB Cruz & Partners

With a reliable experience of 35 years, Engr. Efren B. Cruz started a partnership and became the electrical consultant of various known owners, architects and interior designers and has been awarded MOST OUTSTANDING ELECTRICAL ENGINEER in the Field of Consultancy in 2014.

FIRE PROTECTION, SANITARY & PLUMBING DESIGN

NBF Consulting Engineers

N.B. F. Consulting Engineers is an engineering consultancy that specializes in sanitary/plumbing engineering, environmental/sewage systems, water resources, supply and distribution system, storm drainage systems, civil works engineering, fire protection engineering, automatic fire sprinkler systems and special extinguishing systems.

LIFT CONSULTANT

International Elevator & Equipment, Inc. (IEEI)

An affiliate of Mitsubishi Electric Corp., Mitsubishi Corp., and Mitsubishi Electric Building Techno-Service Co., Ltd. of Japan, IEEI offers high quality elevators, escalators, and related vertical conveyance services, such as design, installation, and maintenance.

PROJECT MANAGEMENT & GENERAL CONTRACTOR

Makati Development Corp. (MDC)

Ayala Land's own construction arm with a history of 42 years. MDC is a premier Filipino EPC/CM company credited for transforming Makati City into a world-class financial and commercial district. Today, MDC still continues to reshape the Philippine landscape to be at par with the world's best.

PROPERTY MANAGEMENT

Ayala Property Management Corp. (APMC)

A wholly-owned subsidiary of Ayala Land and the largest property management company in the Philippines with over 30 years of experience in integrated property management services, including building administration and maintenance, commercial center and residential subdivision maintenance, lease administration activities, and special technical services.
