EXPERIENCE SOUTHERN LIVING AT ITS BEST

The 6.6 hectare development brings together a mix of residential condos, a mall, and an office building. At its center is an expansive park and open spaces where people can stroll and enjoy the laid-back vibe of the South. South Park District will be a venue for convergence on this side of Muntinlupa that embraces a unique experience, bringing to life a place that's Part city. Part nature. Pure South.

A woman with dark hair pulled back, wearing a white blazer over a white dress, smiles while holding a black quilted clutch bag. The background is a composite image: on the left, a modern multi-story apartment building with balconies; on the right, a bedroom with a bed, pillows, and a clock on the wall. A horizontal banner with a pink-to-orange gradient is overlaid across the middle.
